

Dear Customer,

**Changes to Pontesbury Outreach Services
Affecting Shawbury, Hope, Marton, Minsterley, Longden, Stiperstone and Wentnor.**

We have made some changes to the above Outreach Post Office services.

Following a review of customer usage, we have made changes to the opening hours of the Outreach Post Office Services at Shawbury and Hope. This change will take effect from Friday 31st May 2024 for Shawbury and Wednesday 5 June 2024 for Hope. Full details of the changes are provided at the end of this letter.

There is no change to Minsterley Outreach Service, operating from: 3 Station Road, Minsterley, Shrewsbury, SY5 0BG.

We regret to inform you that, the Outreach Post Services at Marton, Longden, Stiperstone and Wentnor, which is currently provided by the Postmaster at Pontesbury Post Office, will cease due to very low customer usage.

Details of changes to the Outreach Post Office services are provided at the end of this letter and posters will now be displayed locally so customers are aware of the change. We would like to apologise for the closure and for any inconvenience this may cause.

We will continue to monitor the number of customers using Post Office services, and should customer usage increase significantly, consideration would be given to adjusting service times accordingly.

If you are a local representative, please feel free to share this information through your social media channels and with any local groups or organisations that you know within the community for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in the local community. If you would like a supply of posters, please let us know.

We would like to apologise for the inconvenience the closures may cause. We hope that our customers will continue to use Post Office services and details of alternative Post Office branches in the area are shown at the end of this letter. There are times our branches may need to make changes to opening hours. The latest available branch information can be found on our website, www.postoffice.co.uk/branch-finder

We're carrying out this notification in line with our Principles of Community Engagement. An extract relating to Notification is available at the end of this letter.

Yours faithfully,

Carol Williams

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Unplanned closure¹/ planned service interruption
- Re-opening of a closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community
- Franchising of a Directly Managed branch in its existing site where there are no changes to access to the Post Office serving point.

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, aiming to provide four weeks' notice. Four weeks' notice may not be possible for an unplanned change, and in these instances, we will provide notice as soon as we are able to. For closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We notify locally elected representatives including but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council, selected charities, local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. They are also encouraged to share all information additionally with local groups and organisations who they believe have an active interest in changes to their local Post Office.

These Principles have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland, the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Consumer Scotland, or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹Where the closure is unplanned, the service provision in the area will be reviewed based on current usage, modelling and availability of any suitable replacement or alternative service model. A commercial decision will be made if to actively seek to replace the closed service and will not be subject to public consultation.
